## Police Justice.

The following is a copy of the bill providing for police justices in the various cities in the State. The bill was approved on December 31st and goes into effect on February 1st:

## AN ACT

To provide for the appointment of police justices and their jurisdiction, in cities of a population of ten thousand or over, in which, by the terms of their charters, no provision is made for the election or appointment of police justices.

1. Be it enacted by the General Assembly of Virginia, That there shall be appointed by the corporation or trustees, court, or the judge thereof in vacation, one police justice for each city of a population of ten thousand and over in which by the terms of its charter no provision is made for the appointment or election of a police justice. The police justices so appointed shall hold office for the term of four years, and until their successors are appointed and qualified, and shall be conservators of the peace within the corporate limits of the city for which they are appointed, respectively, and within one mile beyond the corporate limits of such cities, and within such limits shall have exclusive original jurisdiction for the trial of all offences against the ordinances of the respective cities for which they shall be appointed, and shall have concurrent jurisdiction with the corporation or trustees courts of such cities in all cases of violations of the revenue laws of the State, and of offences arising under the provisions of chapter one hundred and eighty-seven, and of sections thirty-eight hundred and one, thirty-eight hundred and two, thirty-eight hundred and three and thirty-eight hundred and four of the Code of Virginia, and except when it is otherwise specially provided shall have exclusive original jurisdiction for the trial of all other misdemeanor cases occurring within their jurisdiction; and in addition thereto, shall, in all offences against the laws of this Commonwealth, possess the jurisdiction and exercise all the powers conferred upon justices of the peace and police justices by the laws of this State, in all of which cases the punishment may be the same as the mayor of any such city, or the corporation or trustees court thereof, are authorized to impose. There shall be an appeal from the judgment of such police justice to the corporation or trustees court of the corporation, as now or hereafter provided by law from the judgments of justices of the peace or police justices, provided that no such appointment shall be made in any city where by the present terms of its charter, the jurisdiction and powers conferred upon justices of the peace and police justices by the laws of this State, in all of which cases the punishment may be the same as the mayor of any such city, or the corporation or trustees court thereof, are authorized to impose. There shall be an appeal from the judgment of such police justice to the corporation or trustees court of the corporation, as now or hereafter provided by law from the judgments of justices of the peace or police justices, provided that no such appointment shall be made in any city where by the present terms of its charter, the jurisdiction and powers conferred upon justices of the peace and police justices by the laws of this State, in all of which cases the punishment may be the same as the mayor of any such city, or the corporation or trustees court thereof, are authorized to impose.

2. The first appointment under the provisions of this act shall be made in the month of January, nineteen hundred and four, and the police justices first appointed shall enter upon the discharge of their duties on the first day of February, nineteen hundred and four, and their successors shall be appointed in like manner in the month of January, nineteen hundred and eight, and every four years thereafter, and the terms of their office shall commence on the first day of February next succeeding their appointment.

3. The police justices appointed under the provision of this act shall be paid a salary out of the treasury of the city for which they shall be appointed, and the councils of such cities shall make provision therefor, and such police justices shall receive no other compensation for their services. The salaries of the said police justices shall not be less than seven hundred and twenty dollars in cities of ten thousand population and not over twenty thousand population; nine hundred dollars in cities of over twenty thousand and not over thirty thousand population; and twelve hundred dollars in cities over thirty thousand and population.

4. In case of a vacancy caused by the death, resignation or removal of any police justice appointed under the provisions of this act, such vacancy shall be filled by appointment in the manner provided by section one of this act, and such appointee shall hold office for the unexpired term, unless sooner removed, and until his successor has been duly appointed and qualified.

5. Any such police justice may be suspended or removed from office by the corporation or trustees court of the city for which he is appointed, for malfeasance, misfeasance, incompetency, or gross neglect of official duty. All proceedings under this section shall be by order of and on motion before the proper court, upon reasonable notice to the officer to be affected thereby. And such officer shall have the right to demand a trial by jury.

6. In case of the sickness or inability of any such police justice to discharge the duties of his office, or if he is so situated as to render it improper for him to proceed at any trial, the corporation or trustees court, or the judge thereof in vacation, shall, by order entered of record, designate some other justice of said city to act in his place.

7. This act shall be in force from its passage.

Judge Bailey will make the appointment of a police justice for this city early next week, probably in open court on Monday next. While he is quite reticent as to who he will appoint, it is the impression on the street that Mr. W. B. Cato will be the man. He has the endorsement of the city bar.

## The Weather and River.

Everything was frigid again this morning, the wind at an early hour having changed to the northwest, producing colder conditions and arresting the thaw that started yesterday. As the sun rose higher, however, the ice on pavements on the north side of streets running east and west began to give way slightly, but in other localities where shade prevailed the scenes underwent no material change.

The aspect on the river was unchanged. The same immovable mass of ice covered the river. The Norfolk steamer in passing up disturbed it and later the Estelle Randall again put it in motion, but the placid conditions of last night were soon resumed.

The steamer which arrived up this morning from Norfolk reports running into a heavy snow storm just before entering the river which continued for several hours.

## Suit for Damages.

The Washington, Alexandria and Mount Vernon Railway Company was sued for \$5,000 damages for personal injuries in the District of Columbia Supreme Court yesterday. The plaintiff is Harry D. Snook, a minor. The plaintiff was a passenger on one of the defendant's cars on September 7 last, when a fight occurred between a party of drunken men and other passengers, during which he was struck in the face by pieces of broken glass and the sight of one eye permanently impaired. He charges it was the duty of the defendant and its employees to protect him against occurrences of this kind, and for the failure and its results brings suit for damages. The fight was precipitated, it is averred, by the failure of the defendant's employees to stop the car at the point where the brawlers had expressed a wish to alight.

## Funerals.

The funeral of the late Mrs. George Rodgers took place from her home on Franklin street this afternoon. The services were conducted by Rev. Dr. Brooke of the Second Presbyterian Church. The remains were placed in the Henderson vault.

The funeral of the late Mrs. Margaret Gentry took place from the home of her son, Mr. J. E. Gentry, on north Payne street, this evening. Rev. Dr. Brooke conducted the services.

The funeral of the late Mrs. Mary A. Lloyd will take place from the M. E. Church South tomorrow afternoon at 2 o'clock.

## Breach of Contract Charged.

William H. Ellis & Co., contractors, of Washington, have entered suit in the District of Columbia Supreme Court against Joseph L. Crupper, of this city, to recover \$6,000 as damages for an alleged breach of contract. The plaintiffs say that in April last they contracted with the defendant for the purchase of 45,825 feet of lumber to be used in the construction of a wharf. They further say that the defendant did not perform his part of the agreement.

## Rural Delivery.

Including those routes that will go into operation the 15th of the present month, there are now 414 rural free delivery routes established in the State of Virginia. There are 216 petitions pending still, and to date there have been 244 petitions rejected. Including these there have been in all 874 routes asked for in the State. Twenty-six petitions bearing the endorsement of Mr. Rixey have been granted, six are pending and eighteen have been rejected.

## Serious Falls.

Mr. W. H. Hans, employed by the street department of the city, slipped on the ice and fell on Cameron street, in front of Christ Church, yesterday, and sustained serious injuries. He was taken to his home where he received medical attention.

Mrs. Amanda Francis slipped and fell on the ice in the yard of her residence on Potomac street yesterday and was seriously hurt.

## Police Court.

[Mayor G. L. Simpson presiding.] The following cases were disposed of this morning: Yancy Miller, colored, charged with interfering with a Justice of the Peace in the discharge of his duty, was fined \$10. Henry Dixon, colored, charged with careless driving, was dismissed with an admonition.

## Close of Week of Prayer.

The services in connection with the week of prayer closed last night in the Baptist Church. In consequence of the frigid weather of this week the attendance upon these services have not been as large as during previous years. The interest, however, has been earnest, and it is believed the meetings have been edifying to all who have attended.

## The Market.

There was another meagre attendance of buyers and sellers in market this morning. In fact all the produce displayed would not have made a presentable showing in a green grocery of the suburbs. Prices were virtually unchanged from those of last Saturday. There is generally a light attendance in market during the month of January.

## U. S. Court.

[Judge Edmund Waddill presiding.] Before the court adjourned yesterday evening for the term Judge Waddill entered an order approving the application of John D. Moffett to be discharged in bankruptcy.

## Personal.

Mr. F. A. Scrivener, of this city, who was burned by the explosion of a gas engine which he was testing at the Montgomery school in Washington on Thursday, has, it is feared, sustained serious injuries to his eyes.

Mrs. Henry Robertson and Mrs. Albert Smoot last night, at the residence of the former, very charmingly entertained the Euchre Club. The prizes were won by Mrs. T. Marshall Jones, Mrs. Louis Scott, Dr. McGuire and Mr. Edmund Hunter.

Rev. George Braxton Taylor, of Hollins, Va., will occupy the pulpit at the Baptist Church at both services tomorrow. Mr. Taylor was several years ago president of the Young People's Union of this State. He is at present connected with the Hollins Institute, a school for the higher education of young ladies at Hollins.

Mr. John Boyd, jr., is ill at the home of his father on Queen street.

Mr. Ernest N. Pittman has resigned his position at the city gas works which he has efficiently filled for some time. Judge Bailey today appointed Dr. W. R. Purvis Coroner for the city for a period of two years. Dr. Purvis has held this position for a number of years. Mr. Emanuel Webb is seriously ill at his home on west Wilkes street.

## Daughters of America.

Mount Vernon Council, No. 1. Daughters of America, held a very interesting meeting last night, during which the newly elected officers were installed. In the absence of the State Deputy, Mrs. J. H. Mansfield, Past Councilor, conducted the ceremonies incident to the installation. The new officers are as follows: Councilor, B. F. Warder; Associate Councilor, Mrs. L. Parker; Vice Councilor, Thos. Rothrock; Recording Secretary, Mrs. Mary Goodrich; Financial Secretary, Mrs. A. F. Hayden; Treasurer, E. L. Naylor; Conductor, Mrs. Mary Travers; Warden, Mrs. Huntington; Inside Sentinel, Mrs. M. V. Barclay; Outside Sentinel, Mrs. Mary Ticer; Trustee for 18 months, Mrs. Mary Ticer. After the Council closed the members repaired to the Opera House Cafe, where a sumptuous repast had been prepared, which was greatly enjoyed by all present.

## Smallpox.

The police yesterday discovered that a colored woman named Mary Hathaway was suffering from smallpox, and preparations were made for quarantining her house. Last night the woman gathered her household furniture and left for Fairfax county. It is reported that several cases of smallpox exist among colored people in the neighborhood of Four-mile run, in Alexandria county. The authorities of the county are anxious to ascertain the correctness of the reports and will take charge of those suffering from the disease. They say that doctors attending such patients should notify the Board of Health, as the law directs. Mr. George Rucker, Clerk of the Court and a member of the Board of Health, can easily be notified by telephone when cases are discovered.

## Fined Ten Dollars.

John Jones, colored, was fined \$10 in the Police Court yesterday morning for drunken and disorderly conduct and for defying Justice Jos. Beach when he commanded the peace. There was another actor in the drama, a colored individual named Yancy Miller, who set the Justice at defiance and made himself conspicuous generally. Miller was later captured by Officer Roberts and Mayor Simpson this morning imposed a fine of \$10 upon him also.

## Relief Truck Company.

At a meeting last night of the Relief Hook and Ladder Company the following officers were elected: President, Park Agnew; 1st vice do., J. H. Trimyer; 2d do., Jos. DeSilva; secretary, Chas. DeMoll; assistant do., John B. Griffin; treasurer, G. A. Myers; foreman, R. M. Latham; 1st assistant do., Henry Haynes; 2d do., Charles Clarkson. The regulation uniforms are to be worn by this company after August 1st.

## Grand Jurors.

The following are the grand jurors drawn for the January term of the Corporation Court which begins on Monday: Benton Chinn, Samuel E. Lindsay, Louis Shuman, F. M. Hamilton, Worth Hulfish, F. J. Pollard, M. B. Harlow, John W. May, George S. French, Lawrence Stabler, Lewis McK. Bell and John A. Marshall.

## The New City Directory.

Richmond's Alexandria Directory is now in course of preparation for the year 1904. This directory has been issued regularly for the past ten years, and Mr. Richmond has demonstrated his ability to issue a directory as nearly accurate as experience and money can produce. Probably the directory this year will be of more use to our merchants than for many years past, as it will contain the names of many who have heretofore been strangers. Much care is being taken in its preparation and every business and professional man should order a copy.

## Mildred and Bouclere.

Mildred and Bouclere appeared at the Opera House last night to a crowded house. The company was a large one, and had an excellent band and orchestra. Bouclere completely puzzled the audience, his feats of acrobatic being of the highest order, especially that of the watches and handkerchiefs. The songs were excellently sung and handsomely illustrated. Every number on the programme was good and the play was heartily enjoyed.

## LOCAL BRIEVITIES.

Mr. Richard Morgan will conduct the services at the Railroad Reading Rooms tomorrow evening.

In the Corporation Court today Amanda Gray was appointed guardian of the four children of Alfred Peters.

## A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. I was about to give it up, I got a bottle of E-Z-E-Z-E, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by E. S. Leadbeater & Sons. Price 50 cents.

## Don't Worry.

This is easier said than done, yet it may be of some help to consider the matter. If the cause is something over which you have no control it is obvious that worrying will not help the matter in the least. On the other hand, if within your control you have only to act. When you have a cold and fear an attack of pneumonia, buy a bottle of Chamberlain's Cough Remedy and use it judiciously and all cause for worry as to the outcome will quickly disappear. There is no danger of pneumonia when it is used. For sale by Richard Gibson.
